130th COVID-19-Related Fatality Reported

The Joint Information Center was notified that Guam's 130th COVID-19-related fatality occurred at the Guam Memorial Hospital (GMH) on February 7, 2021, at approximately 9:15 a.m. The patient was an 18-year-old female with no known medical history. She was admitted to the GMH Emergency Room today and tested positive upon evaluation.

"To her family and friends, Jeff, Lt. Governor Josh, and I express our condolences and sympathies. Please know you are not alone in your grief," said Governor Lou Leon Guerrero. "To the people of Guam, our mourning must come with action. We cannot forget the necessary precautions we need to take to keep this island safe."

Results: Six New Cases of COVID-19

Six (6) new cases of COVID-19 were identified out of **99** tests performed on Saturday, February 6.

To date, there have been a total of **7,649** officially reported cases of COVID-19 with **130** deaths, **103** cases in active isolation, and **7,416** not in active isolation.

TODAY'S CAR SCORE¹

0.7

¹The COVID Area Risk (CAR) Score will be recalculated once reports from all participating labs are up to date. The CAR Score accounts for the incidence of new cases, how well current testing identifies these cases, and the rate of spread. The ideal long-term goal is to sustain a CAR Score of 2.5 or less, which has been shown to correlate with very low to zero COVID-related hospitalizations and deaths.

Pre-screening Eligibility for COVID-19 Vaccinations

To take the COVID-19 vaccine, you must meet the following pre-screening eligibility criteria*:

- Must not be currently infected with COVID-19 or previously exposed within the last 14 days
- Must not have received any other vaccine, such as the flu shot, in the last 14 days

*Please note: If this is your first time receiving the COVID-19 vaccine, please make sure you have never taken other COVID-19 vaccine products. Please visit dphss.guam.gov to view the pre-screening eligibility.

V-Safe Vaccine Symptom Monitoring

After receiving the COVID-19 vaccine, register for v-safe, offered by the U.S. Centers for Disease Control and Prevention (CDC). V-safe is a smartphone-based tool that uses text

messaging and web surveys to provide personalized health check-ins. You can quickly report side effects and depending on your answers, you may receive a call from CDC. V-safe will remind you to get your second dose of the COVID-19 vaccine. Sign up at vsafe.cdc.gov.

Food Commodities Distribution Through Village Mayors Continues

The Guam Department of Education (GDOE), State Agency for the Emergency Food Assistance Program (TEFAP) under the U.S. Department of Agriculture (USDA) Food Nutrition Service (FNS), continues the distribution of food commodities at the village level. Recipients will receive TEFAP food commodities per household that may include instant milk, canned peaches, canned mixed fruits, tomato sauce, spaghetti sauce, canned pork, canned chicken, frozen shrimp, kidney beans, pistachios, oat circle cereal, crispy hexagon cereal, bottled grapefruit juice, and banana chips. Food commodity distribution in each village will be available to ***village constituents only***. Participants are reminded to wear a mask, maintain physical distancing, and follow all traffic directions and signage.

Village Mayor's distribution schedule is as follows:

Distribution Date	Village	Distribution Method	No. of Household
Feb. 8, 2021	Talofofo	Door-to-Door and Drive-Thru starting at 9 a.m. at the Talofofo Gym for Talofofo residents only, while supplies last. For more information, contact the Talofofo Mayor's Office at 789-1421.	300
